**Learn, Understand and Grow With Your Child!**

The Parent Education Program is based on the premise that learning is a natural ongoing process. Classes are designed to train parents to create supportive and positive learning environments for their children that will stimulate their physical, intellectual, social and emotional growth. This is done through participation, observation and discussion. The curriculum is a readiness program that includes pre-reading, math concepts, science, music and motor skill development, in addition to various parenting topics. Children and parents learn together.

**Registration**  
Due to limited enrollment, registration is on a first come, first served basis.

*Choose your classes carefully! There will be a charge of $5 to transfer or $10 processing fee to drop a class before the first day of class.  
NO REFUNDS WILL BE GIVEN AFTER THE FIRST CLASS MEETING.*

The adult is the student, so the person who will be bringing the child is the person who should be enrolled. Only registered adults may attend class. Fee for the second adult will be $25 for the session.

**TERRIFIC TODDLER TIME!**  
Parents will enjoy a variety of summer themed activities and crafts with their toddlers through songs, crafts and play.
