## Featured Teacher

### June 2017

I teach Decorative Painting at the Adult School. I have been teaching with the Adult School for 17 years. I love to do arts, crafts, create, learn, discover, and experiment with different medium. In my 17 years, I have learned a lot from my students. They have helped me to become a better listener and instructor, and to have patience and compassion.

Lily is a member of the Society of Decorative Painters and Southern California Decorative Painters in Whittier.

Arlene has been taking Lily's Decorative Painting class for a while. She says the class is really good for senior citizens because it helps them keep learning. In Lily's class, Arlene hopes to learn different painting techniques to help with her art journey. She would recommend Lily Jang because she is really good at explaining the different techniques and always teaches something new. Arlene would also recommend ABC Adult School to her friends because we have many different enrichment classes. Arlene has taken Sewing classes and Embroidery classes along with her Decorative Painting class. Arlene says, "I like this school very much. I would like to continue educating myself here. As a senior citizen, I would like to continue lifelong learning."
